21st

Kawasaki International Eco-Business Forum

Toward Sustainable Symbiosis Between Cities and Industry

~ Green Strategy for the Next 100 Years, Linking Kawasaki and Other Asian Cities ~

This year, which marks the 100th anniversary of Kawasaki's organization as a city, the Forum is welcoming a panelist from a city in a different country for the first time in five years. It will be devoted to a panel discussion aimed at clarifying issues faced by Asian cities in the construction of a sustainable society in the next 100 years and Kawasaki's role in resolving these issues.

●Address by the organizer Deputy Mayor, City of Kawasaki **Tomonari Mitamura**
